SIR

With reference to your letter No L 1207/M1 dated 26th July 1946 regarding the grant of a gratuity of Rs 100/- to A Joseph, a thrown out maistry, I have the honour to state that he was a temporary official borne on a temporary establishment and he could not be continued in service after 1-10-1943 as the establishment itself ceased with effect from that date Further this official was aged and physically not fit He submitted his application on 3-11-1943 for the grant of gratuity and as he was only a temporary hand he was not entitled to the same As there were also no precedants for grant of gratuity in such cases, the subject was placed before the Managing Committee with the Municipal Engineer's report that he may at least be given a lumpsum grant of Rs 100/- as a special case This was purely as a matter of indulgence after taking all aspects into consideration

2 The question was finally decided by the Municipal Council on 27-11-1945 when the above grant was approved by them This case is not similar to that of Madhurai, deceased Bell Operator, as the post of the latter is a permanent place and the gratuity was given to the family of Madhurai who died after putting in a service of 15 years in the Municipality

p t.

3 There are no similar cases on the establishment of this Municipality as this is the first of its kind

4 Separate action is being taken to frame the necessary rules under Section 228(e) of the Mysore City Municipalities Act In the meanwhile, it is requested that sanction of Government may kindly be obtained to the resolution of the Municipal Council dated 27-11-1945 as this is a case governed by special circumstances

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner
